Music and Lyrics by Ben Boquist

ABOUT: We find our twins on the eve of their 18th birthday in the kingdom of GillyGate. One is set to take the throne while the other sits in her tower with only a dragon to keep her company. Unbeknownst to both, a prophecy is about to unfold much to the dismay of their uncle, Lord Grimbert, who will do anything to stop a woman from taking the throne with the help of his trusty talking high horse. A musical tale woven together by a misfit traveling ensemble, this show will take you back to the Ren Faire. Full of bawdy, drunken fun mixed with some good ol' audience interaction, this show is fun for your whole family!...well maybe not your kids.
