FOR IMMEDIATE RELEASE

Fantasy collides with Reality when Force of Nature Productions presents the World Premiere of Thomas J. Misuraca's 'Masters of the Dark Realm.'

LOS ANGELES – **Force of Nature Productions** is proud to present the world premiere of the award-winning comedy-drama “**Masters of the Dark Realm**” by **Thomas J. Misuraca**.

When a group of long-time friends end their fantasy role playing game, **Masters of the Dark Realm**, they seek out new quests in the real world. Will a tragedy bring them together to slay their dragons, or cause their fellowship to fall apart?

Featuring the talents of **Noah Kaplan, Rachel Christianson, Kerry Kazmierowicztrimm, Brett Gustafson, and Daisy Donohue**. Directed by Force of Nature veteran **Corey Chappell**.

Thomas J. Misuraca is a globally produced playwright with numerous writing awards to his credit. His musical **Geeks!** is currently running Off-Broadway.
